ARE YOU AN EMERGING LEADER IN THE VALLEY?

The Valley Young Professionals (VYP), a program of the Greater Phoenix Chamber of Commerce, is a group for up-and-coming young professionals in the Valley ages 25-39. The VYP program provides experiences for its members to build lasting relationships, engage in professional development opportunities, and become change-makers in the community. The VYP program is designed to create innovative leaders for tomorrow by educating them on issues that affect business leaders of today.

The monthly events connect leading entrepreneurs and business professionals with a valuable network to help them learn, grow and develop professionally. As a member of the VYP network, you have access to networking opportunities, educational programs, behind-the-scenes tours and volunteer projects.
