Sponsorship Opportunities

Golf while giving back to those who serve! Join Acronis SCSVets as we kick off our inaugural **Acronis SCSVets Golf Tournament!** Your contributions directly benefit our effort to narrow Arizona's cyber workforce shortage by empowering veterans, active-duty military, and military spouses with the resources they need to pursue a career in cybersecurity.

Acronis SCSVets is a proud Arizona 501c3 with a cross-sector program focused on measurably reducing under- and unemployment among veterans, military spouses, and transitioning service members. Why? Because we never stop serving! Our extensive training curriculum ranges from 12 – 30 weeks and costs upwards of \$4,000 a student. We are proud to say that in 2020, thanks to corporate sponsorships and grants, we were able to cover the costs of training entirely and provided more than \$200,000 in cybersecurity training to veterans and their spouses.

Join our mission today and help us provide even more training to those veterans and military spouses dedicated to continuing their service through careers in cybersecurity!

Not only will your contribution assist in our mission to upskill veterans and narrow the cyber workforce shortage, you will gain access to exclusive opportunities to showcase your company and all that you do to support our veteran community.

For more information about these opportunities, please see sponsorship packages below or contact Ernie Lou at 425.503.6114 or Ernie.Lou@AcronisSCSVets.org.
