

GREATER PHOENIX CHAMBER

VALLEY YOUNG PROFESSIONALS

Are you an emerging leader in the Valley?

The Valley Young Professionals (VYP), a program of the Greater Phoenix Chamber, is a group for up-and-coming young professionals in the Valley between the ages of 25–39. The VYP program provides experiences for its members to build lasting relationships, engage in professional development opportunities, and become change-makers in the community. The VYP program creates innovative leaders for tomorrow by educating them on issues that affect business leaders of today.

The monthly events connect leading entrepreneurs and business professionals with a valuable network to help them learn, grow, and develop professionally. As a member of the VYP network, you have access to networking opportunities, educational programs, behind-the-scenes tours, and volunteer projects.
