February 25, 2025

Warehouse215 – 215 E Grant St

REGISTER NOW

## SESSION INFORMATION

### **Design & Construction Spotlight**

Tune in to hear from our Design and Construction division, learn what they do, and what opportunities are on the horizon. Also, learn the ins and outs of identifying opportunities and successfully submitting for Design and Construction jobs.

### **Lets Talk Design & Construction: Industry Panel**

In this session you can hear from a panel of contractors about their experience working on airport projects. You will also get valuable information on how to go about subcontracting with their firms.

## *Beyond the Summit: Resource Roundup Sessions*

### **Certification 101**

Presented by the Equal Opportunity Department, learn more about the City's small business certification programs and how these certifications can benefit your firm.

### **Contract & Services Spotlight: Procurement Roundtable**

This panel will provide an overview of the Aviation Department's procurement process and insight from procurement specialist on resources and guidance for those preparing to bid on a contract.

### **Operating at Sky Harbor Airport: Inside the Terminal Edition**

Learn about different aspects of operating a business in the airport terminals such as security and badging requirements, employee parking, deliveries, sustainability practices, and more.

### **Lending Resources Panel**

This panel, led by the Maricopa Small Business Development Center, will provide information on the types of capital available and insight from different types of lenders.
